

BUG LIGHT

DUXBURY CLIPPER
AUG 15, 1983

Project Bug Light Starts Fundraising

Area groups rally to assist the restoration of Duxbury Pier Light.

The rival selectmen of Plymouth and Kingston have organized a ball game on Aug. 27 at 8 at Stephen's Field, Plymouth. Preceding it, at 6:30, there will be a ball game between the Plymouth Town Hall team and the Memorial Press Group.

No admission will be charged but all proceeds, donations and sales will go to the non-profit Project Bug Light Corporation. "Save the Bug" bumper stickers and T-shirts will be available and will be sold at these games.

On Sunday, Aug. 21, at the Plymouth Airport "Fun Day," members of the steering committee will be present with T-shirts and bumper stickers for sale. It is hoped that Duxbury residents will also be on hand to support the restoration project and to have a good time on "Fun Day."

The Bug Light bumper stickers and T-shirts are also available at Ski & Racquet Shop and Bayside Marine.
